

Board of Appeals Meeting Minutes  
Meeting held on August 13, 2014 at 7:00 p.m.  
Property of Richard Hillel

Meeting was attended by Board of Appeals members Steve Baluk (chair), Lynn Bertelli (clerk), Richard Sweeney, Joe Delmolino

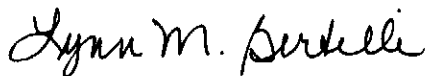

Also attending, Richard Hillel (owner) and Peter Schaffer (abutter)

Application was for Mr. Hillel to build a shed that did not meet the standards of the side setback requirements.

Abutter Peter Schaffer did not have any issues with the proposed new building, but the board had concerns about the plan as presented. It seems that there may be other options rather than putting a building within two feet of another neighbors property line.

No vote was taken. Mr. Hillel will consider other options and come back before the board in a month.

Respectfully submitted,

A handwritten signature in cursive script that reads "Lynn M. Bertelli".
